[Foyer-ML] **Autographing** James Morrow

[Sycamore-ML] **Alpha 1 Meeting** Diane Turnshek, Mary Turzillo

[Oak-LL] **Fava Beans & a Nice Chianti Horror Video vs. Lit.**

There are things we look for and things we *hope* for in a scary movie. Are they really that different? What needs to be done to translate a good scary story from page to screen? Can a film truly capture the exquisite flavor of the written word? Lawrence Connolly, Ricky Dick, Chris Pisano, John A Taylor

[Willow-LL] **Cyberwar Colossus the Forbin Project, HAL 9000, and Others.** Computers gone wild, right? What about when some one *tells* them to act up? We rely on computers to store & manage information—how do we know we aren't being led and manipulated by unscrupulous hackers and electronic invaders? Can war be fought so that remote control and disinformation can tip the scales? Ken Chiacchia, Alan Katerinsky, Bud Sparhawk, A. Andrew Swann

[Redwood-LL] **Concert: Toyboat**

[Walnut-LL] **Art Demo: Amber Polishing & Carving** Nancy Janda

[Maple-LL] **Video: Cowboy Bebop: The Movie (2001)** Cowboy Bebop is one of the best TV series ever made. The first episode had one of the main characters talking about John Coultrain coming to him in a dream; told me that this was going to be different.

5:00pm

[224/225] Kaffeeklatsch/Literary Beer (Sign up at Registration)

[Salon A-ML] **Comics and Graphic Novels** With so many comics pervading the web space, what does the future of comics look like? Will print comics become more in demand? David Barr Kirtley, Eric Davin, Brian Koscienski
